

From the Director’s Chair: March 2018

by Nancy H. McMoneagle, President & Executive Director

Paraphrasing our research coordinator, Dr. Ross Dunseath, “The challenge is on to show the world and ourselves that expanded consciousness is real and demonstrable.”

Bob Monroe would have loved to have introduced this level of investigation himself. [Read More](#)

"Discovery": Combining Research and Consciousness Exploration at TMI

by Ross Dunseath, TMI Research Coordinator

This past December a group of intrepid explorers gathered at The Monroe Institute to meet this challenge and make a contribution to the advancement of human scientific knowledge. They were remarkably successful. [Read More.](#)
